

**FOR IMMEDIATE RELEASE****2018 EMMY® AWARDS NOMINATIONS****FOR PROGRAMS AIRING JUNE 1, 2017 – MAY 31, 2018**

**Los Angeles, CA, July 12, 2018**– Nominations for the 70<sup>th</sup> Emmy® Awards were announced today by the Television Academy in a ceremony hosted by Television Academy Chairman and CEO Hayma Washington along with Samira Wiley from the Hulu series *The Handmaid's Tale* and Ryan Eggold from NBC's upcoming drama, *New Amsterdam*.

"It's been another record-breaking year with more than 9,100 entries in 122 unique categories for the initial nomination round of voting," said Washington. "The continued growth of the industry has provided opportunities for acclaimed new programs to emerge, while allowing last season's break-through programs to thrive. In addition, 36 performers -- ranging from new discoveries to revered international stars -- have received their first-ever acting Emmy nomination across all categories of scripted programming. We are honored to recognize both television's seasoned veterans and rising talents.

"This year's nominations continue to represent increased diversity and inclusion in front of the camera. And, there is a wealth of new and returning programs that reflect so many of today's critical issues."

**Among this year's eight Outstanding Comedy Series nominees, there are three first-timers** representing an exceptional range of storytelling. Freshman shows *Barry*, *GLOW* and *The Marvelous Mrs. Maisel* join returning hits *Atlanta*, *black-ish*, *Curb Your Enthusiasm*, *Silicon Valley* and *Unbreakable Kimmy Schmidt*.

**The nominations in Outstanding Drama Series were again spread over distribution platforms**, with returning nominees ***The Americans* (FX) and *Game Of Thrones* (HBO)** joining all of last season's new nominees *The Crown* (Netflix), *The Handmaid's Tale* (Hulu), *Stranger Things* (Netflix), *This Is Us* (NBC), and *Westworld* (HBO).

**Nominees for Lead Actress in a Comedy Series** include **first-time Emmy nominee Issa Rae** and **category freshman Rachel Brosnahan**, who join previous category nominees Pamela Adlon, Allison Janney, Tracee Ellis Ross and Lily Tomlin. **Bill Hader** is new to the **Lead Actor in a Comedy Series category**, **Ted Danson** and **Larry David return to the category** this season, joining last year's nominees Anthony Anderson, Donald Glover and William H. Macy.

**Lead Actor in a Drama Series** nominees **Jason Bateman, Ed Harris** and **Jeffrey Wright** are new to the category, joining returning nominees Sterling K. Brown, Matthew Rhys and Milo Ventimiglia. **Sandra Oh received her first Lead Actress in a Drama Series nomination**, joined in the category by return nominees Claire Foy, Keri Russell and Evan Rachel Wood, and previous Emmy winners in this category, Tatiana Maslany and Elisabeth Moss.

Other notable **first-time performer** nominations include: **Joseph Fiennes** and **Matt Smith**, both for **Supporting Actor in a Drama Series**; **Zazie Beetz** and **Betty Gilpin** for **Supporting Actress in a Comedy Series**; and **Letitia Wright** for **Supporting Actress in a Limited Series or Movie**. **Aidy Bryant (Supporting Actress in a Comedy Series)**, **Darren Criss (Lead Actor in a Limited Series or Movie)**, and **Kenan Thompson (Supporting Actor in a Comedy Series)** are also all first-time performer nominees, though each received a past Emmy nomination for Original Music and Lyrics. **James Corden**, whose previous four Emmy nods were shared for producing and hosting the *70<sup>th</sup> Annual Tony Awards*, two *The Late Late Show Primetime Carpool Karaoke Specials* and *The Late Late Show with James Corden*, is nominated this year as **Outstanding Actor in a Short Form Comedy or Drama Series**. In addition, Broadway star **Kelli O'Hara** received a first-time Emmy nomination as **Outstanding Actress in a Short Form Comedy or Drama Series**.

**Game Of Thrones** had the most nominations (22) in all categories, followed by **Saturday Night Live (21)** and **Westworld (21)**. Leading the nominations in totals by platform were **Netflix (112)**, **HBO (108)** and **NBC (78)**.

Multiple nominees include (but are not limited to) **Jason Bateman** for *Ozark*; **Alex Borstein** for *The Marvelous Mrs. Maisel* and *Family Guy*; **Sterling K. The Television Academy's membership has increased this year to more than 25,000, of which 23,000+ are voting members. That body welcomed more than 1,000 new voting members this year.

Final-round online voting begins August 13.
